

Answer pack 4 – Right healthcare

Dear parent/guardian

Thank you for downloading Cats Protection’s Home Learning Pack! We are thrilled that you are getting involved and joining the fun!

‘Right healthcare’ is the fourth in a series of five free packs that you can download at home. The educational content is designed to help your young learner discover more about our feline friends!

You can dip into different sections of Cats Protection’s Home Learning Pack depending on your child’s interest. Each Home Learning Pack contains:

A cat’s tale	Reading challenges	Home Learning Pack page: 2-3
Feline fact file	Research activity (with video support)	Home Learning Pack page: 4
Clever cats	Writing activity	Home Learning Pack page:5
Creative cats	Thrifty things to make and do	Home Learning Pack page: 6
Competitive cats	Activities and games	Home Learning Pack page: 7

This Answer Pack is designed to support you in assisting your child’s learning journey. We encourage frequent feedback for your budding cat expert!

You will find lots of links to our online content, to help inspire your child’s learning. Keep a device handy to scan QR codes or click on the hyperlinks. We want our education packs to reach as many parents as possible, so we’d love you to share your photos and videos on Facebook, Instagram and Twitter @catsprotection and using #TheMoggyModules. Let’s keep home schooling pawsome!

Cats Protection hopes you have great fun, while learning all about cats!

Can you draw a cat at the vets?

Why do vets microchip cats?

The microchip helps vets and charities to find a lost cat's owner. Then we can reunite the owner with the cat.

Can you draw a cat with her kittens?

At what age do domestic cats (like Felix and Rosie) have kittens?

From four months old!

When can cats have an operation called neutering to stop them having more babies?

From four months old or younger.

At what age do African wildcats (like Nafisa) have kittens?

From four months old!

How long will the kittens need to stay with their mum? What will they eat?

For about eight weeks. They will drink her milk.

Are cats mammals?

Yes

Meet Nafisa!

Clever cats - persuasive writing activity

One of your friends has just adopted a cat! Fill in the blanks below to write a letter persuading your friend to take great care of their new pet.

Dear *friend's name*

I am excited to hear about your new cat! Cats make great pets because they are...

friendly, cuddly, great friends, funny, clever, playful etc.

It's really important to take your cat to the vet. This makes sure your cat stays...

Healthy

The vet can also give your cat a microchip. Microchips are useful if your cat ever gets...

Lost

Fleas are tiny bugs that live in our cat's fur and make them itchy. Fleas make a cat feel...

Sad

Did you know that adult cats should not drink cow's milk? It can make them...

Sick

I know that you will take great care of your new cat! My favourite cat name is...

Fluffy

Love from

Name

Competitive cats

Suki had **10** kittens.
